## Dog Days of Summer

Hello, Gators! Welcome to August! You might notice that, despite the high temps, the pool gets emptier for a few weeks. When swim team season wraps up many families go on vacation. Speaking of swim team, congratulations to our Gator Swim Team for a great season! In the regular season, the team finished up with a 4-4 record. Our own Caitlin Horning was named Outstanding Girl Swimmer in the 2018 SSL Championships.

Katie Martinenza put together a fantastic video of the 2018 Gator Swim Team Season. Watch it on YouTube:

Hope your summer continues to be a blast! Join us for our next meeting if you have questions or items to discuss with the Board.

Regards,  
Your NSC Board

# *2018 Community Pool Olympics*

**The first annual Community Pool Olympics** was a truly great event, hosted by our friends at Fairfield-Fairfield Crest, and welcoming members from NSC, Persimmon Creek and Oaklands. There was food, fun, families, friends, and there was a big trophy for the winner. And the winner was .....

**NOTTINGHAM SWIM CLUB!!!**

But, hey, that's just what the points total says. We were all winners that day for bringing together more than 300 community members for fun and sportsmanship. The event featured 17 competitions including swim relays, sack races, and cornhole. Big thanks go out to Fairfield for hosting, and thanks as well to Jen Baur for coordinating our participation. Jen is 4<sup>th</sup> from the left in photo above.

Looking forward to next year's Olympics! *But, hey, that*
